WEEKLY REPUBLICAN—1897.  
DAILY PUBLIC LEDGER—1898.

MAYSVILLE, KY., FRIDAY, JUNE 26, 1903.

ONE COPY—ONE CENT.

THE SWEET GIRL GRADUATE.

See the sweet girl graduate,  
In purple and blue gown,  
Stand radiant forth to agitate  
The college and the town.  
She knows she's just the sweetest thing  
Of this season of the year,  
And expects to make the whole world ring  
With "Woman and Her Sphere."  
About 1908.  
Behold the sweet girl graduate  
Arrayed in kitchen gown,  
Her sleeves above her elbows rolled,  
Her back hair tumbling down.  
And hear the words she's uttering:  
"You, Jimmy! come and dance  
The baby while I go and patch  
Your papa's other pants!"  
—Browning's Magazine.

## SUNDAY-SCHOOL PICNIC.

Big Gathering to Be at Germantown Fairgrounds on July 4th.

Mr. J. S. Asbury, President of the Fourth Magisterial District, and whose Postoffice address is Fernleaf, is arranging for a union Sunday-school picnic, to be held at the Germantown Fairgrounds on Saturday, July 4th.

He has invited the following schools to be present: Minerva, Dover, Washington, Tuckahoe, Shannon, Sardis, Maysville, Murphysville and Germantown. It is suggested that each school carry its banner.

If no arrangements have been made for these districts to hold Sunday-school picnics of their own, they will find this a most delightful place to spend the day. There is fine shade and the amphitheater will furnish a good place for shelter in case of a storm. Persons attending this picnic will be expected to take their own dinners.

Good music and some short, spicy speeches, will be features of the day. Professor Fox, the State Secretary, is expected to be present, and a number of Maysville citizens will also be in attendance.

If your district has not arranged for a picnic, there is no spot in Mason county where you will be more highly entertained than you will be at the Germantown Fairgrounds.

We hope for a large attendance and an increased interest in the Sunday-school cause. Let announcements be made in all the Churches on next Sunday.

Ray's Rainbow Mixed Paint is guaranteed the best and cheapest.

Mrs. Anna Runyon Kellar, daughter of Mr. and Mrs. J. J. Runyon and born near Dover, died the past week at her home in Columbus, Ind.

## Beware of Ointments For Catarrh That Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and is made in Toledo, O., by F. J. Cheney & Co. Testimonials free. Sold by Druggists, price 75c. per bottle. Hall's Family Pills are the best.

The Universal Tobacco Company was given a verdict in the suit brought at Louisville against them by C. E. Robinson of Augusta. Robinson contended that he had shipped six hogsheads of tobacco to the Company and they refused to accept it, and sued for the price, \$1,500. The Tobacco Company contested the case on the ground that the tobacco fell far short of the sample, and won the case.

## His Last Hope Realized.

From The Sentinel, Geko, Montana.  
In the first opening of Oklahoma to settlers in 1889 the Editor of this paper was among the many seekers after fortune who made the big race one fine day in April. During his traveling about and afterwards his camping upon his claim he encountered much bad water, which, together with the severe heat, gave him a very severe diarrhoea, which it seemed almost impossible to check, and along in June the case became so bad he expected to die. One day one of his neighbors brought him one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a last hope. A big dose was given him while he was rolling about on the ground in great agony, and in a few minutes the dose was repeated. The good effect of the medicine was soon noticed and within an hour the patient was taking his first sound sleep for a fortnight. That one little bottle worked a complete cure and he cannot help but feel grateful. The season for bowel disorders being at hand suggests this item. For sale by Jas. J. Wood & Son, Druggists.

# Minnie's Popularity

## Increases Each Day!

*Minnie successfully handles short, thin wheat, something no other binder on earth will do. You farmers that have run binders for years know that in thin, short wheat they all waste your crop by dragging out at the inside divider. Minnie saves every straw!*

*To Whom it May Concern:* This is to certify that I am today running a Minnie Binder in wheat and find it all that it was represented to be by the parties I purchased it from. JOHN T. CASE.

SARDIS, KY., June 24th, 1903.

*To Whom it May Concern:* I started my Minnie Binder today, and same runs to my entire satisfaction. I gave the Minnie a severe test and I want to compliment the manufacturers in their beautiful Minnie.

The Minnie is the finest cutter I ever saw. My Minnie is saving my wheat this year when no other binder will.

E. M. NEWMAN.

*Forty-six cheers for the Minnie Binder, the farmer's pet!

The Gas Company, if so desired, will make a written agreement with any purchaser of a Gas Range during the month of June to the following effect, to wit: That if said purchaser on the 1st day of August shall come to the Company and say that they are dissatisfied with the use of their Range, that it will not do their work as represented, or that the cost of using same is too great for them to afford to continue its use, then, in that event, the Gas Company will take the Range off their hands and refund any money paid upon its purchase price. See the Gas Company or Larry Langeles and learn the liberal terms upon which these Ranges are sold. You cannot afford to be without one.

WEAK, IRREGULAR, PAINFUL HEARTS

Sometimes the heart grows irregular—is the seat of pain and pressure. People are apt to think it due to some organic or structural disease of that organ, when the cause is comparatively simple—a weakened motor power—a trouble wholly due to the nervous system, perhaps aggravated by a nervous dyspepsia. But the nervous system right—give it strength and tone—supply through its medium the heart with power and the stomach with digestive juices and the trouble fades like snow in a summer sun. It is for this wonderful power Dr. A. W. Chase's Nerve Pills are world famous.

Mr. Thomas Maher of No. 212 Lee street, Maysville, Ky., says—

"I have been a sufferer for some time from heart failure and acute nervous indigestion. Hearing of Dr. A. W. Chase's Nerve Pills I got a box at Chenoweth's Drugstore and now I am pleased to say the pains in that region of the heart have disappeared completely—its action is strong and regular and appetite is fine. I can recommend this medicine very highly as safe, reliable and certain in such affections."

CLOTHING TALK! s s s s

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable line is for men and confined to us.

But we have provided as well for the boys and children. We invite inspection and comparison of both goods and prices.

OUR MERCHANT TAILORING DEPARTMENT, under the supervision of Mr. Charles F. McNamara, is the only one in the city paying Union prices and having all work done at home. Ask to see one of our made-to-measure Suits. You can get them cheaper elsewhere, but not like ours.

Let us show you our new Shirts, new Hats, new Neckwear, etc., etc.

# SIX FINE OFFERINGS OF WASH GOODS!

## White Linen for Shirtwaists

No need to say aught of its popularity. Every woman who doesn't own a White Linen Shirtwaist, wants to possess one and she can, when 39c buys exquisite, fine linen, 40 inches wide.

## Silk Madras.

We've told of these exclusives before but they well deserve another mention. The luster suggests all silk but they're linen—mixed. Every color in many shades. 35c, from 50c.

## White Suitings.

700 yards originally—about half as much is here now. Will you be among the fortunate women to share the remainder? This handsome material has the desired body for shirtwaist suits and is corded, striped, figured and checked. Four prices, 25c, 29c, 30c, 35c. Your choice, 20c yard.

## Yorkshire Reps.

The wonder is how cotton can be so cunningly woven, so effectively dyed. These handsome fabrics look like chevrons, all-wool chevrons, three times the price. Green, black, blue, tan, each with twists of white yarn caught in the weaving with resultant prettiness. 19c yard, formerly 25c.

## Fifty White Damasses.

A wealth of selection. Exquisite patterns that have been selling for 25c, 29c, 35c, now 19c. Hardly sounds true. It is. There's deep satisfaction in confidence. These Damasses are a case in point. If every line in this store's history for more than a half century, didn't reveal a principle to make its patrons secure, you'd scarcely believe a much wanted fabric in such broad choosing could come to you at such a little price.

## White Linen Etamine.

Like the wine at the marriage feast we've kept the best for the last. We needn't give space to description, a value like this needs only an announcement. LINEN Etamine, 45 inches wide, 50c—one-third under price.

## Silk Remnants at Half Price.

When we say silk remnants we don't mean a yard or two, we often mean four yards, sometimes more. To be accurate, there's a big table placed where the North light shines full upon it all day, crowded with good things for silk users. Every desirable sort is represented, plain, fancy, black, white, colors. And the prices are unusual for even this unusual store.

## Pillow Tops.

Nothing like the variety with which the sale began but enough remains to make choosing a pleasure. If you want to dress your sofa cushions in new covers, now's your time. Included in these as we write, are lithograph, tapestry, satin damask, silk and one lace top. This enumeration at a venture—some may be gone before the ad is printed. The prices 15c, 25c, 50c have been 25c, 50, 75c.

## Men's Half Hose 15c.

You can't find such socks as these for 15c every day. You couldn't now if the Removal Sale counted value more important than moving stocks. Fine, firm cotton yarn in fast black or various shades of tan, heels and toes doubly strong, elastic tops, full in size and length. Good, serviceable, unusual quality for 15c pair—3 pairs for 40c.

## 25c Scissors.

This quarter buys more than that half dollar you spent yesterday, elsewhere. Razor ground, nickel-plated scissors, made of the best steel. Every pair warranted.

## Fancy Leather Goods.

A lot of belts, purses, chatelaine bags and other novelties will say farewell today or tomorrow—that is, if half and quarter prices prove interesting to you—the goods are bound to interest. 50c purses 25c; 25c purses 15c. \$1 chatelaines 50c; 50c chatelaines 25c. 50c belts 25c; 25c belts 15c.

## \$1 for 75c.

That's just what it means to buy one of these dainty night gowns. Three styles, all pretty, high or low neck, long or short sleeves, yoke of tucks and hemstitching, or with Swiss insertion. 75c worth \$1. Worth every cent of that dollar, too.

## Embroidered Top Collars, 5c.

Dainty little turnover collars made of fine white lawn, tastefully embroidered in various pretty designs. Made to sell at this absurd price? Dear no—they're 10c to 15c values, fresh and new, but the Removal Sale won't tolerate laggards, everything must go. 25c collars 10c, 15c; 35c collars 15c; 75c, 50c collars 25c.

## Corsets for 25c.

You're almost afraid of corsets at that price but you needn't fear these. They have all the salient points necessary to gain admittance to the Removal Sale. Namely—quality, economy and timeliness. They are \$1 values and at 39c sold rapidly when the sale began, so quickly in fact only two sizes remain, 18 and 19, hence a lower price notch. Long waist, medium hip, black or white coutil. All sizes in Hunt's Special—the best corset on earth for 39c.

## FAVORED SUMMER SILKS.

Three kinds of silk are most asked for this summer. They are polka dots, checks and Habutia, and these are exactly the kinds we mention today. Polka dots in white on two grounds black, navy. Black dots on one ground—white, 75c worth \$1.25. Checks small and medium, many handsome colors blended, two qualities—75c for the \$1.25 kind, 50c for the 75c kind. Habutias in white prettily striped in different colors. Also solid white handsomely corded. After the prodigious selling of the past two weeks, all lots are naturally small. We don't want to disappoint you but we can't always avoid it these busy days.

## DESIRABLE UPHOLSTERY GOODS.

Attractive and seasonable goods offered at stirring economies. No housekeeper can afford to miss them. To buy fine perfect curtains and other upholstery goods as marked today is extraordinary in the extreme. Here are the items.

PORTIERES—You'll thank us for the chance to buy these handsome portieres at such a little price, and the better you know their value the more hearty will be the thanks. Velours—valance fringe at top of curtain and edge tassels at bottom. The designs are mostly stripes in exquisite color blendings. Now \$3.75 pair. Early season price \$6.50. Another popular kind—Damasse—prettily woven fabric in two shades of one color. \$2.50 were \$3.75.

CURTAIN GOODS—For sash or full curtains. The lot consists of Printed Muslins, woven striped Muslin, Madras Muslin, Curtain Grenadine, hemstitchad Tambour and ruffled Tambour, 10c to 19c yd. formerly 15c to 35c.

SNOW-FLAKE CURTAINS—This is a popular summer window dress. It's a cream cotton material with cross stripes in colors, tasseled at one end. Three styles, four colors, these prices at \$1.25 pair instead of \$1.75; at \$1.95 pair instead of \$2.25; at \$2.50 pair instead of \$3.

RUFFLED NET CURTAINS—Three styles at \$1.25 from \$1.50; at \$1.75 from \$2; at \$2.50 from \$2.75.

#### HAPPY RESULTS.

Have Made Many Maysville Residents Enthusiastic.

No wonder scores of Maysville citizens grow enthusiastic. It is enough to make anyone happy to find relief after years of suffering. Public statements like the following are but truthful representations of the daily work done in Maysville by Doan's Kidney Pills.

Mr. W. H. Paul of Market street near Third says:

"I procured Doan's Kidney Pills at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, and one box cured me of pains in my back and other evidences of a disordered condition of the kidneys that had given me much trouble for two years or more. This statement of fact is the strongest endorsement Doan's Kidney Pills could have as to their wonderful value."

Following privileges will be let to the best bidders: Hotel, Confectionery, Stable, Baggage Room and Barber Shop. The Board reserves the right to reject any or all bids.

The meetings on these beautiful grounds will be held beginning July 23d and closing August 3d. Dr. Blodgett of St. Paul's Church, Cincinnati, and Evangelist E. S. Dunham of Delaware, O., and all Ministers of the Districts are expected to be present.

Splendid singing in charge of a competent leader will be a feature. A splendid addition has been made to the hotel, giving ample accommodation to all. The promenade grounds have been extended, a new stable built and many other improvements made. The grounds are beautiful, and best of all there is an abundance of pure water.

The meetings will be in charge of the Revs. F. W. Harrop and J. R. Howes, Presiding Elders of the Covington and Ashland Districts.
